Sidney Village Expands Its Boundaries To West

Village of Sidney grew up this week. When an order-in-council was approved by the provincial cabinet on Tuesday another 142 acres was incorporated into the village. The property includes the new V.L.A. subdivision to the north of Beacon Ave. and west of the former village boundary. The land on the south side of Beacon Ave., beyond the North Saanich War Memorial Park is also included. The boundary line of the village now comes within 1,000 feet of Patricia Bay Highway.

New Projects For Class B Fair Prove Very Costly

There is more to a Class B fair than meets the eye. With the need for more extensive facilities and greater provision for all classes of exhibits at the forthcoming Saanich fall fair, directors of the sponsoring North and South Saanich Agricultural Society are running into problems.

Increased government grants which would meet these extra costs are unlikely to be received in time for this year's fair, noted W. W. Michell, addressing Central Saan-

ich council on Monday evening. His plea, supported by V. E. Virgin, fell on sympathetic ears and the council approved a grant of \$100 compared with last year's figure of \$50.

MOVE OFFICE

Included in the list of new services are a new ceiling in the hall to facilitate its heating; the establishment of fair offices in the basement; construction of a new well; new accommodation for the horse classes; roofs over the sheep pens and a foundation under the new industrial building.

The new work will cost about \$1,800, said Mr. Michell, despite the fact that the majority of work is carried out by volunteer labor.

Their Troubles Don't Come Singly Now

Troubles never come singly, says the adage. Rev. F. Forster and Mrs. Forster, of Ganges, will endorse this. Mr. Forster has been a patient in hospital for several weeks. Last week Mrs. Forster visited the capital city to attend her husband's sick bed.

The following day she was also a patient in the hospital and underwent an operation to her hip. The sick visitor had suffered a fall and is now faced with a term in hospital herself while the break in her hip is healed.

FIVE MILLS EXPLAINED

VILLAGERS GET FULL BENEFIT OF PROVINCIAL TAX REBATE

Evidence of keen interest in village affairs was noted in the large attendance at the public meeting held last Friday evening in the Hotel Sidney.

Sponsored by the Sidney Ratepayers Association, taxpayers heard a run-down of village business since the start of the year as members of the village commission outlined what had taken place to date and gave some indication of what could be expected in the future. The open meeting, first of a series to be sponsored by the ratepayers' association, has drawn favorable comment from all parts of the village.

THE BENEFITS

Introduced by Association President Wm. Skinner, Commission Chairman Dr. C. H. Hemmings explained the benefits the village would obtain by instituting a mill rate.

"By instituting a mill rate we will get full advantage of the provincial government \$28 rebate on taxes. Without a mill rate we would receive only partial benefits," said Dr. Hemmings.

Also explained was the action taken by the village commission on the controversial ferry line-up on Beacon Ave., the hospital situation in North Saanich, and the question of a new village office or an addition to the present one.

"Let the commission hear the views of the ratepayers in this regard," concluded Dr. Hemmings.

Commissioner T. A. Alera, chairman of the finance committee, outlined the village financial picture.

His report was commended by J. R. Hannon who proposed a motion thanking the commissioner and stating the village's financial affairs were in good hands.

Commissioner A. A. Cormack, chairman of the public works committee, told of some of the projects on paper for the coming year. Also present during the evening was Commissioner J. Bilgeri.

"It is the intention of the Sid-

What's In A Name?

HON. EARLE WESTWOOD

Should the name "Gulf Islands" be changed? Hon. Earle Westwood, provincial minister of trade and industry and Islands M.L.A., favors such a change.

Speaking in the legislature last week, the minister outlined his views as follows:

"In my constituency are also included the Gulf Islands, comprising Gabriola, Salt Spring, Galiano, Saturna, Mayne, North and South Pender and James Islands. These islands have gained a world-wide reputation as a vacation centre and an ideal place to retire. The climate and the beauty of the Islands are unexcelled anywhere and I feel that the opportunity for encouraging tourists to visit the Islands has not been taken advantage of to its fullest extent and would suggest that if the name of the Islands were changed it would add considerably in attracting tourists.

"The name 'Gulf Islands' to strangers does not mean too much. They may have known that there are islands probably somewhere in the Strait of Georgia but they are probably not too clear even on this particular point.

"A distinguishing name bearing perhaps the color and romance of the early history of the Islands with the proper advertising and tourist promotional work could make these Islands a mecca. With the improved ferry service to the Islands and the electrification of many of them, it is confidently expected that they will grow and develop progressively with the rest of the province."

Which Department Is Right? Asks Council

There is a lack of co-ordination between the provincial attorney-general's office and the provincial department of highways, Central Saanich council learned on Monday evening.

The attorney-general's department had advised the municipality that the restriction of speed limits on provincial highways passing through the municipality was that

of the municipality subject to the approval of the minister of highways. The latter had taken the view that it was the department's responsibility without recourse to the municipality.

Under discussion was the restriction of West Saanich Road from Stellus Cross Road to the northern boundary of the municipality to 30 m.p.h. It had been refused by the government.

Mark 50 Years Married Life

MR. AND MRS. L. H. GOOD

Mr. and Mrs. L. H. Good of Montague Harbor, Galiano Island, are, on March 14, celebrating their golden wedding anniversary.

They were married in London, England, and came almost immediately to Saskatchewan, where they lived for 10 years.

Finally, in 1917, the golden west calling, they journeyed with their six children to Vancouver.

After three years in Vancouver they moved on again to Union Bay, Vancouver Island, then back again to Vancouver in 1927.

Montague Harbor has been their home since 1935.

Their three sons and four daughters and 16 grandchildren are somewhat scattered from the home fireside, with one son, Bryan, in Newcastle, Australia, and Mrs. M. Cowley in Sydney, Australia. Arthur resides in Saskatoon, and Mrs. J. H. Jones and Mrs. L. H. Bellamy in Vancouver; Mrs. C. Hargreaves and Bruce are residing on Galiano Island.

Mrs. J. H. Jones will have open house for her parents, on March 14. They are to be holidaying in Vancouver for a few days, where their many friends will be glad to meet them on this special occasion.

Value of Lots Is Not High?

—\$14 Per Acre

Value of lots for sale in Central Saanich was not established when the municipal council sought tenders for them recently. Lowest offer for the 18-acre property was \$250, or about \$14 per acre, calculated mathematician, Councillor J. B. Windsor. Highest offer was \$1,200 for one lot of 4.75 acres.

The property lies on Gore Ave., adjacent to Gore Park. It is to be sold to pay for the purchase of the new park property on Wallace Drive.

The council refused all tenders and the property is to be valued and offered for sale at the valuation figure.

"We should hold out for every nickel we can get," commented Councillor R. M. Lamont.

The municipality will drive Gore Ave. through to provide access to the lots in anticipation of their being offered for sale again. The cost of the road has been estimated at \$1,000 by Works Superintendent Carl Breitenbach. The estimate was approved.

TAXATION

Relief Is Sought For Halls

Resolution from Brentwood Women's Institute seeking the elimination of taxes on public halls existing for the benefit of the community was passed to the Union of B.C. Municipalities for its consideration by Central Saanich council on Monday evening. Reeve H. R. Brown dissented, stating that the amount of taxes was so small as to be negligible and that the community at large should not be required to subsidize halls in which only a limited number had an interest.

The Institute asked for the same relief of taxes as is at present extended to similar halls in unorganized territory.

"Brentwood W.I. Hall is taxed at \$60," said the reeve. "This is a dangerous practice." Councillor P. F. Warren suggested that a tax rebate be permitted to the operators of such halls, the rebate to be less than the total taxes.

"Cutting out taxes is unreasonable and unfair," said the reeve. "Not everyone uses these halls."

CONTRIBUTION
The halls in the community made a material contribution to juvenile recreation, asserted Councillor Harry Peard.

"It is cheaper to help the Scout and community halls than to hire extra police," he added.

When it was proposed to pass the resolution to the U.B.C.M. Reeve Brown was caustic.

"Passing the buck," he said, "I've told them to raise the rent. A small sum like \$60... what does it amount to?"

NO CHARGE
The Brentwood Institute also wrote declining to make a charge for the use of the hall for a library public meeting.

"They shouldn't do that; we can pay," commented the reeve. They saw it as a public service, suggested Councillor Peard.

The council declined to accept the use of the hall on a gratis basis and authorized the municipal clerk to write asking for a statement in respect of that rental.

His Fishing Tales Were All Vindicated By Two Giants

C. W. Addison, of Cartels Point, has retained his touch after three years' absence. On Friday Mr. Addison, accompanied by Mrs. Addison and a small English car, landed in Vancouver. Over the week-end he went fishing and caught a bigger salmon than he had ever seen on his B.C. trip. A 22½-pounder was closely followed by a 17-pounder.

Mr. Addison had been regaling the skipper of the vessel on which he arrived with tales of the salmon fishing around the islands. He froze his two salmon and sent them to Capt. Snellman, of the Ss. Diomed, when he was sailing from Victoria at the beginning of the week. The crew of the vessel had

Returning Officer

MAJOR S. S. PENNY

Latest news report from Ottawa suggests that Prime Minister Louis St. Laurent has "practically decided" on June 10 as the date for the forthcoming federal election. A busy man will be Major S. S. Penny, returning officer for Esquimalt-Saanich electoral district. He will direct preparations for enumeration of the voters and the actual balloting. Major Penny has acted in this responsible capacity in elections in 1949 and 1953.

SATURNA WITHDRAWS

From Gulf Islands Bureau

Gulf Islands Improvement Bureau, an inter-island organization aimed at aiding the development of the Gulf group, has been shaken to its very core.

For a number of years the Bureau represented Galiano, North and South Pender, Mayne and Saturna Islands. When a sharp division occurred over ferry services, North and South Pender Islands broke away more than a year ago. Since that time the Bureau has embraced Saturna, Mayne and Galiano. Current

president is Dr. J. B. Hallows of Saturna.

At a meeting of Saturna residents last week it was unanimously decided to withdraw from the Gulf Islands Improvement Bureau. It was agreed to send a delegation to the next bureau meeting to ask dissolution of the organization on the grounds that it no longer represents the peoples of the islands.

Further developments will be watched with keen interest throughout the Gulf Islands, Vancouver Island and the mainland.

THEY WANT NEW WHARF

Residents of North Galiano have expressed themselves heartily in favor of the construction of the new wharf at Montague Harbor.

In a letter to the minister of highways, Hon. P. A. Gagliardi, recently, North Galiano Community Club urged that he continue with plans for the new wharf. North end of the island, it was stated, is 100 per cent in agreement.

INQUEST INTO DROWNINGS

An inquest was held in police court at Ganges before Coroner A. G. Birch, and jury, enquiring into the deaths of John Henry Liddell and Alenand James Harley, both aged 31, who were drowned when the Lady Balfour, herring troller, sank two miles outside Gossip Rock on February 1.

Both men are missing and presumed drowned. The troller, carrying a leak and sank very fast. The stern. The skipper, Peter Kelly, was saved by his father, Nicholas Kelly, who was following in his herring troller, Rosehind. Jury found the two men had died by accidental drowning.

INFORMATIVE SIGNS ARE TO BE SOUGHT

On the recommendation of Councillor R. M. Lamont, Central Saanich council is to seek permission of the department of highways to erect signs on Patricia Bay Highway at each municipal boundary drawing attention to the flowers and fruits for which the area is noted.

His Fishing Tales Were All Vindicated By Two Giants

C. W. Addison, of Cartels Point, has retained his touch after three years' absence. On Friday Mr. Addison, accompanied by Mrs. Addison and a small English car, landed in Vancouver. Over the week-end he went fishing and caught a bigger salmon than he had ever seen on his B.C. trip. A 22½-pounder was closely followed by a 17-pounder.

Mr. Addison had been regaling the skipper of the vessel on which he arrived with tales of the salmon fishing around the islands. He froze his two salmon and sent them to Capt. Snellman, of the Ss. Diomed, when he was sailing from Victoria at the beginning of the week. The crew of the vessel had

Water To Be Subject Of Investigation

—At Central Saanich

A committee of Central Saanich council will investigate sources of water for the municipality. On Monday evening Councillor P. F. Warren opened the question when he demanded: "What does this municipality intend to do about water?"

Reeve H. R. Brown was prompt in his reply.

"Any action on water must come under local improvement," he said. "If any group wants to institute a water district no doubt the council would approve."

The council should take the initiative in finding a source of water, stated Councillor Warren.

"The Elk Lake system is there, and we all know the price," commented the reeve.

"People on Patricia Bay Highway want water," stated Councillor Warren. "Some 1,200 or 1,600 feet away is a hydrant."

If he referred to Saanich water, said Reeve Brown, Saanich has already told Central Saanich that "they wouldn't sell us a drop."

Councillor Harry Peard explained that he and Councillor Warren had

a number of ideas on water which they wanted to follow up but they sought the support of the council before pursuing them.

Cost of water would be terrific even with four miles of the main pipe, suggested the reeve. The cost of water from Greater Victoria is based on the cost of pumping and the expense of pipe renewal, observed Councillor Peard.

The two councillors will investigate and report back to the council.

Even if the federal department of transport were to release the Elk Lake system to some local group the attitude of the City of Victoria represents a stumbling block, noted Reeve Brown. There is already a threat that the city will demand 10 cents per thousand gallons for water from the lake from any private organization operating the plant.

The Elk Lake water shed is the property of the City of Victoria.

Contract Failure Is Costly

Contract awarded recently by Central Saanich council has broken down. On Monday evening Councillor R. M. Lamont reported that the contract awarded to Burrows, Bradley, Gardner Ltd., of Sidney, for the transportation of cement blocks to Island View Beach had broken down when the owner of the concrete had refused to sign an agreement with the municipality.

The company had expressed dismay, said Councillor Lamont, in view of the fact that a special trailer had been built at a cost approaching \$1,000 to carry the blocks. He was in entire sympathy with the company, he stated.

Municipal Clerk D. S. Wood stated that the parties concerned had visited the municipal office and that he had gained the impression that the transportation company planned to negotiate directly with the owner of the concrete blocks.

The concrete is contained within the foundations of certain buildings on Patricia Bay Airport which have been demolished recently. Neither the owner nor the municipality will accept responsibility for the possible need for fill when the concrete has been removed. The blocks were to be placed on Island View Beach to form a breakwater.

No Action on One-mill Rate

No action was taken on Monday evening by Central Saanich council on the elimination of the one-mill imposition within the municipality for local improvement purposes.

At a special meeting earlier in the year Capt. C. R. Wilson and W. W. Michell had appeared before the council on behalf of the South Saanich Farmers' Institute urging the abolition of the tax.

The tax is aimed at providing a fund from which money for local improvements may be drawn to avoid borrowing from outside for such schemes. The farmers of the municipality have opposed it on the grounds that it is a tax fund from which they are least likely to benefit.

BUTLER BROS. WIN OUT

Brentwood Girls Take Island Basket Trophy

Brentwood reached the top once again on Saturday evening when Butler Bros. Juvenile girls defeated the Vancouver Island basketball champs to take the Island trophy.

On Friday evening the girls played Tsolum high school at the Brentwood Community Hall to win, 47-30. They took the 17-point lead

to the Tsolum gym on Saturday. There they played good ball and won, 20-16, thus taking the series by a 28-point margin and winning the Island trophy from the former B.C. champions.

In the opening game on Friday evening at Brentwood the pre-midget boys lost to Cordova Bay, 10-6, and in the final game Arrows trounced senior men, 65-45.

Games for Friday, March 15, are: pre-midget girls vs. Sooke; hantam boys vs. Cordova Bay and juvenile boys vs. Cordova Bay.

Returns to Sidney

NORMAN WRIGHT

Past president of Sidney and North Saanich Chamber of Commerce and an active worker in community projects before he left this district, Norman Wright has returned to Sidney to take over his father's oil distribution business, while Fred Wright takes an extended holiday. Norman Wright has been residing in Vancouver lately. He left Sidney several years ago. He and his family are residing in the Wright home on First St.

SIDNEY COMMISSION COMMENTS

(BY COMMISSIONER MRS. V. COWAN)

It is with regret that I must deal with the subject of increased taxes in Sidney. It is something I had hoped would never happen.

The 5-mill tax increase breaks down as follows: with the creation of the fire district, a one mill tax had to be set to pay for fire protection; 3/4 of a mill, is in lieu of the \$1 per lot tax which has been removed; the remaining 3/4 mill is the actual increase which will bring into the village funds an estimated \$5,670 in "new money".

It was planned to reduce the sewer rental charge by 20 per cent but this, the provincial powers would not allow. "There can be no change in the frontage tax and sewer rental charges for at least seven years".

With Sidney's frontage tax and sewer rental payments and no actual "taxes" other than the \$1 per lot, most householders would have been eligible for only a very small percentage of the \$28 rebate allowed on "taxes" by the provincial government. With the change in the tax structure more money will be brought into village coffers with no actual increase in payments by village taxpayers. In most cases, the actual payments this year will be considerably less than last year,

and less than they would have been without the five mill increase. (Sounds complicated doesn't it—well it is).

THREE HOMES

The figures I have been shown, show an increase of payment for only three of the larger residences. This we regret, does not include business properties, except those whose owners live on the premises. The businesses in Sidney will have no relief from a \$28 rebate and it is only hoped that with the extra money that will be spent on public works, added business will come their way due to improved roads and sidewalks.

Sidney has been extremely lucky in regard to tax payments. Compared with almost any other place I have been able to obtain figures for, our payments are almost negligible, and that is the way we wanted to keep them. Previous commissions have attempted to do as much public works as possible each year on the amount of money available. However, if people are impatient to have all the roads and sidewalks completed, there is only one answer—a mill rate. Roads and sidewalks cost money, and this year the public works committee intends to concentrate on the roads almost to the exclusion of everything else.

INCORRIGIBLE CANINE

Fame of the chairman of Sidney's village commission is spreading.

Some weeks ago The Review carried a little article about the chairman, Dr. C. H. Hemmings, being bitten by a dog on the street. Story of the actions of the incorrigible canine has gone far and wide. It was reproduced quickly in a Vancouver newspaper. On March 6 it appeared in the Winnipeg Weekly Free Press.

ASKING TOO MUCH

In Chicago, Michael Korzen, 42, complained in divorce court that his wife's weight had increased from 127 to 190 lbs., and asked that she reduce to 125 lbs. He agreed, after the judge suggested that he was asking too much, to take her back at 140 lbs.

Omission

In the report of a farewell party held last week to honor retiring Sidney postmaster, H. E. Kennedy, the names of Mr. and Mrs. W. S. Villers and Mr. and Mrs. A. W. Steele were omitted.

Mr. Villers is a veteran of the Sidney post office, having served as rural mail contractor for more than two decades. Mr. Steele is a member of the office staff.

"He's not such a big fool as he was." "Has he got wiser?" "No—thinner."

WOMEN'S PRAYER MEETINGS RAISE \$45 FOR COUNCIL

A large gathering of women met in the Bethel Baptist Church on Friday, March 8, to observe the Women's World Day of Prayer. The service was conducted by Mrs. W. Morton, who also gave the address. Others taking part were Mrs. J. Mason, Miss J. Christie, Mrs. C. Courser, Mrs. Glen Richmond, Mrs. H. Wearmouth, Rev. Irene Smith, Mrs. A. Byford, Mrs. H. Friese and Mrs. H. Horth.

Mrs. E. A. Richardson was the organist and Mrs. L. Theaker was the guest soloist whose beautiful rendering of "Open the Gates" added much to the service.

Deep Cove also held a service, which was conducted by Mrs. Anderson Smith and Mrs. Herbert Smith, with other friends assisting. The collection at the two services amounted to \$45, which has been forwarded to the Women's Inter-Church Council at Toronto.

Choristers Attend Concert in City

On Friday evening a group of the North Saanich Musical Society performed at the recital given by the senior students of the Victoria Branch, B.C. Registered Music Teachers' Association.

This was at the request of their director, Eric V. Edwards, who is also a leading member of the Victoria organization.

They presented six varied numbers which were well received by the audience which included Mary Munn, well-known across Canada as a concert pianist and who has recently come to live in Victoria.

The Sidney district was represented among the students by Sheila Greenhill, who played Beethoven's beautiful "Moonlight Sonata", in a very creditable manner, reflecting the tuition of her teacher, Mr. Edwards.

Delegates Named To Diocesan Parley

The monthly meeting of the Afternoon Branch of St. Andrew's and Holy Trinity W.A. was held in the parish hall on Wednesday, March 6, with 16 members present. The president was in the chair, and opened the meeting by reading from the first chapter of the Acts, followed by the W.A. Litany and prayers.

During the business session, reports of the officers were received. The February Bulletin was read, and delegates appointed for the diocesan annual W.A. meeting on March 12, 13 and 14, in Victoria.

Next meeting to be on Wednesday, April 3, in the parish hall. The meeting closed with prayer, and tea was served by the hostesses, Mrs. McKeef and Mrs. Nanson.

Double Feature At Sidney Theatre

"Forever Darling" and "Wedding in Monaco", is the next program at the Gem Theatre, Sidney, commencing on Thursday, March 14. Lucille Ball and Desi Arnaz in a gay, full-length story on the Gem Theatre's big screen, in color.

In the role of a guardian Angel who comes to Miss Ball's rescue when her marriage seems headed for the rocks, James Mason enacts his all-out comedy role. Louis Calhern plays a co-starting role as the debonaire father of the bride.

"Wedding in Monaco" is a featurette showing real pictures of the wedding of Grace Kelly and Prince Rainier of Monaco.

Mr. Pennock, of Lochside Drive, was the recipient of \$10 from the management of the Gem Theatre last week.

Patrons of the theatre have been invited to enter the Academy Award contest. Tickets are obtainable at the theatre. An Oldsmobile hard-top 88 is the first prize. Ballots may be left at the Gem Theatre on or before March 23.

SET PLANS FOR SPRING FESTIVAL AT MOUNT NEWTON HIGH SCHOOL

The February Mount Newton P.T.A. meeting was favored by the presence of Dr. D'Estrube who spoke on "Prevention and Cure of the Common Cold".

The sincere thanks of all members and friends present were expressed to Dr. D'Estrube for her illuminating and practical discourse on this subject.

It was decided at the business part of the meeting to have the annual spring festival on April 12. The volunteer co-conveners are Mrs. Tubman and Mrs. H. Andrew.

Joint meeting of the executive and the spring festival committee was on February 26. The only executive business of note was the planning of the programs for March and April. The March 12 meeting took the form of a program put on by the students who attended and took part in the Model United Nations Assembly.

The spring festival on April 12 will also be the April P.T.A. meeting. This festival is going to be very worth while. Proceeds help swell the scholarship fund. It starts at 7:30 p.m.

Conveners of the festival will greatly appreciate all offers of help.

Canadians last year ate 32,502,000 gallons of ice cream or two gallons for every man, woman and child.

VARIETY CONCERT IS ENJOYED AT BRENTWOOD HALL ON FRIDAY

Variety concert held at the Women's Institute hall on Friday evening, sponsored by the men of the United Church congregation, was enjoyed by a full and appreciative house.

W. J. Fortune was the producer and director and V. C. Dawson was the very efficient M.C.

After the singing of O Canada and a few opening remarks by Dr. A. McMinn, Ronnie Chisholm, well known accordion player, gave numbers in his usual delightful manner. Skits by Mr. and Mrs. A. Burdon and Mr. and Mrs. K. Clapp won ovations and brought laughter to all.

Frank Spooner, tenor, was enjoyed in two numbers, "Trish Lullaby" and "Killarney", dedicated to Dr. McMinn; he was accompanied by Mrs. R. Ronson.

The hypnotism act by Mr. and Mrs. R. Cunningham was something new and exciting, also his tricks as Dr. Trebine the magician, thrilling everyone.

Larry Goodmanson and Ken Warner gave selections on the piano and saxophone, drawing loud applause. Piano numbers by up-and-

CENTRAL SAANICH

BRENTWOOD

The World Day of Prayer service held last Friday afternoon in the United Church was well attended. It was a lovely, impressive and co-operative service in which members from six churches took part. The offering amounted to \$30.91; expenses were 91 cents. The sum of \$30 has been sent to the Women's Inter-Church Council of Canada.

Mrs. Wm. Bickford has returned to her home on Benvenuto Ave., after being away for several weeks because of ill health at the home of her daughter and son-in-law, Mr. and Mrs. J. Hamilton-Grundy, Sidney.

SHOWER HONORS BRIDE-ELECT

A miscellaneous shower, honoring Miss Donna Woodridge, of Brentwood, who is being married this month, was given by Miss Lois Holloway at her home on Verdier Ave., on March 4.

On arrival the bride-elect was presented with a corsage of gladioli, and her mother, Mrs. Ray Woodridge, received a corsage of freesia.

A box, decorated to represent a wedding cake, held the many lovely gifts and was presented to the guest of honor by two little girls, Pat and Debra Combs.

A pleasant evening was spent in playing games and musical numbers, and refreshments were served.

The guests were Mrs. R. Woodridge, Mrs. B. Stubbs, Mrs. M. Combs, Mrs. L. Combs, Mrs. E. Logan, Mrs. A. Vickers, Mrs. T. Holloway, Mrs. B. Holloway, Mrs. J. Lean, Mrs. T. Lowe, Mrs. P. McGaughie, Mrs. D. Campbell, Misses Norma Bickford, Leola Michell, Arlene Logan, Lois Holloway, Pat Combs and Debra Combs.

SAANICHTON

Keating 200

Mr. and Mrs. Paul Delbrouck, of Steilys Cross Road, are happy to announce the birth of their son, Norman Brian, on March 8, a brother for Barbara and Roberta. His weight was 7 lbs. 151 oz.

Twin girls also arrived to join into the family of Mr. and Mrs. L. Mutrie, of Mount Newton Cross Road, last week.

MANAGEMENT

A harried business executive went to his physician to get a prescription for sleeping pills only to find that he was allergic to sedatives.

"What about some of this twilight sleep I've heard about?" he asked the doctor.

"Oh, that's only for labor," was the reply.

"Good heavens!" exclaimed the executive, "haven't you anything for management?"

An all-time record of 442,000 births occurred in Canada during 1955.

SAANICHTON LADY CALLED

Mrs. Annie Waldren passed away at the residence of Mr. and Mrs. W. J. Nicholls, Amity Drive, Saanichton, on March 13, at the age of 85 years. She was born in Hampshire, England, and formerly resided in Matheson, Ont.

She leaves one son, Reginald, at Nanaimo; two daughters, Mrs. Frank (Ruby) Cowell of Matheson, Ont., and Mrs. Muriel Aaron Nicholls of St. Catharines, Ont.

Funeral services will be held from Sands Funeral Chapel on Saturday, March 16. Pastor Glen Richmond will officiate. Interment will take place at Royal Oak.

HE FORGOT

Professors aren't the only absent-minded persons around a college. The other day a college student wrote his parents a letter and forgot to ask for money.

Out of The Mixing Bowl

She Didn't Enjoy Being Thin

By Muriel D. Wilson

Mrs. Wilson

A noted psychiatrist says that personal problems are divided into two categories—people are unhappy because of something they want and can't get or because of something they have but can't get rid of. Into this second category fall all the hundreds of people who think they weigh too much... if they could only get rid of a few pounds they would be happy.

That people are funny has been proved time and time again. It happened to all of us... we think we'll die if we don't get a certain thing. We cry for it. We work for it. We spend days and sometimes months wishing for it. Finally the thing we have desired is within our grasp. Now we should be happy... but people are funny. Once the hardly-attained thing is in our hand we so often find it is not what we wanted after all.

The little story that follows may be of some consolation to dieters (not of course for those who diet for health reasons), those larger people who are dissatisfied with their looks.

SHE DIETED

Once upon a time there was a woman who thought she would be perfectly happy if she could only be thin. Well, at least, thinner. So she did this and she did that and she dieted and she exercised and she bought a fine new corset. She even had her looks analyzed and she did what "They" said about wearing black and slimming lines with only one bold accent.

Sometimes she lost a few pounds but they came right back. When she went to the beach she never had any fun because she kept herself covered with a beach towel most of the time. When she went out with her husband she always wore a very quiet black dress, sometimes he told her that she looked nice but she didn't believe he meant it. She was sure that men only admired a tall and willowy figure and was therefore filled with despair every time she caught sight of herself in the mirror.

Finally she became so unhappy that she decided to do something drastic. She left her husband to shift for himself and she went to a place where it was their business to make people thin. It took three months but she did get thin. Before going home to surprise her husband she went on a buying spree and outfitted herself in size 12 clothes.

A NOTE

And now comes the not so happy ending. When she reached home in one of her size 12 dresses she found, not a delighted husband but a note. It said, "I'm sorry to do this but I have gone away with Katie Jones; I hope you will forgive me and divorce me". Then the woman in the size 12 dress sat down suddenly for she remembered that Katie Jones weighed 100 pounds and wore a size 18 dress.

And the moral of this is if you are changing your looks to suit your husband, be sure that you know what suits him. This is just a story I once heard but I was reminded of it recently when talking to a large friend who was making herself and her family miserable because she couldn't lose 30 pounds.

EXTRA EARLY SPRING

One of the nice things about living in this blessed west coast is that no sooner has the new year made its appearance than we can look forward with confidence to the first violet. This year snowdrops appeared in our garden even before the January snow and all during the icy cold spell we enjoyed the

holding our own. A regiment of soldiers was making a long, dusty march across the rolling prairie. It was a hot, blistering day and the men, longing for water and rest, were impatient to reach the next town.

A rancher rode past. "Say, friend," called out one of the men, "how far to the next town?" "Oh, a matter of two miles or so, I reckon," answered the rancher. Another long hour dragged by, and another rancher was encountered. "How far to the next town?" the men asked eagerly.

"Not far," was the encouraging answer, "Only about two miles." "Well," smiled the optimistic sergeant, "we're holding our own, anyhow."

ALL OVER AGAIN

"I love your daughter very dearly," said the young man. "I would suffer deeply if I ever caused her a moment's unhappiness." "You certainly would," replied the father. "That girl is her mother all over again, and I know."

LETTERS TO THE EDITOR

(Continued from Page Four)
one that gives great satisfaction. The patient's gratitude is sometimes queerly expressed, as when the nurse was told if she died, there would be a lot of wreaths. (MRS.) EMMA HARRISON, Deep Cove, March 9, 1957.

SERVICE BY U.S.

Editor, Review, Sir:

President Eisenhower, in the month of February, 1957, rendered a service to humanity by defending the charter of our United Nations. He also pledged support by his public administration, for withdrawal from Egyptian territory of an Israeli military force, from captured posts.

And so the descendants of Abraham, installed in their traditional homeland by force of arms and native skill, now find themselves friendless except perhaps Britain. They are supposedly about to receive something near a 99 per cent squeeze, to give moral persuasion and respect for the dignity of international law.

Not a single flaw can be shown in United Nations politics, except that, as propounded by Toronto Editor McGeich, practically all the useful lands known to men have been occupied and held by military force, this our own continent being no exception. So why should any of us accuse the Russian people of being wicked?

The Russians want to oust the Hebrews, as do the Egyptians, in order to possess petroleum oil wells discovered by British. Canadian statesmen will no doubt exercise caution in the proposal to punish the aggressive Jews. As a race apart, they have been punished severely, and when a final accounting comes to be drawn up, they will rank high, if not well above the combined values of many times their number now eager to see them in wreckage.

PHILIP HOLLOWAY, Central Saanich, B.C., Feb. 27, 1957.

PRETTY WEDDING AT CHEMAINUS FOR BRIDE FROM NORTH GALIANO

A quiet, pretty wedding took place at the River Road home of Mr. and Mrs. Broach, Chemainus, on Saturday, March 2, when Valentine Rose, eldest daughter of Mrs. Edith Baines and the late Ernest Baines, was united in marriage with William Robert Lomax, eldest son of Mr. and Mrs. William Lomax, of Victoria. The Rev. McMillan, of Ladysmith United church, officiated.

The bride's floor-length torso-styled gown of white was made of lace with a deep net flounce of satin. The high neckline was embroidered with pearls and sequins. Her finger-tip veil was held in place by a cap-style headpiece, also sparkling with tiny pearls and sequins.

She wore a rhinestone pendant and earring set, the gift of her groom; for blue she had the color in her jewelry, the something old and borrowed was the aunt's engagement ring.

The lovely bride was given in marriage by her uncle, Harry Baines, of North Galiano.

All the attendants wore afternoon length gowns. The matron of honor, Mrs. Jeanne Silver, wore white satin with a deep pink rose corsage tied with silver ribbon and bows.

SENIOR BRIDESMAID
The senior bridesmaid, Miss Rose

Silver, wore ice-blue satin and carried pink tulips. The junior bridesmaid, Miss Shirley Baines, wore pink organdie and also carried pink tulips. The two flower girls, Jane Baines, sister of the bride, and Janet Lomax, sister of the groom, both dressed in pink and carried early spring daffodils. All wore floral headpieces in matching colors.

The bridegroom had as his best man his father, William Lomax, Sr.

Mrs. Baines wore floral grey with white carnation corsage. Mrs. Lomax wore blue grey with tiny red rosebud corsage and white accessories.

The wedding planned for February 23 at the North Galiano home of Mr. and Mrs. Harry Baines, Sr., had to be postponed when the groom entered Chemainus Hospital that morning with a serious infection in his face.

The room was beautifully decorated with pink and white streamers and white bells and pussy-willows. The two-tier wedding cake, on a lace covered table, was cut before the young couple left on their honeymoon on Vancouver Island.

The bride's bouquet of red roses and white carnations was thrown into the crowd as they left. Mr. Broach played the wedding music.

Mr. and Mrs. Lomax will make their home in Chemainus.

THE GULF ISLANDS

FULFORD

Next Sunday there will be another of the popular boxing cards at the Fulford Hall. This will be the Bronze Glove tournament for all Vancouver Island. The M.V. George Pearson will leave for Crofton after the tournament is over to enable visitors to attend the boxing card and give them a chance to return via Crofton later.

Sunday services were conducted by Ven. Archdeacon G. H. Holmes in St. Mary's Church, Fulford, and in the old schoolhouse at Beaver Point. Sunday school re-opened on Sunday at 1.30 p.m., with Mrs. Daffurn and Mrs. Leason in charge.

There will be a card party at the home of Miss Gladys and Cree Shaw on Friday evening, sponsored by the W.I. and is to raise funds for the new recreation grounds and sports field behind Bob Akerman's home.

Claude Hamilton returned home on Saturday evening after being a patient in the Lady Minto Hospital for 10 days.

Pancake Tea
The Evening Circle pancake tea, held in the Ganges United Church Sunday school room on Tuesday, March 5, was a successful afternoon, with nearly \$30 realized for the funds.

Mrs. I. Bradley was general convener, with Mrs. A. Francis at the door.

Tea tables looked very gay, the attractive centrepieces, the work of Mrs. Francis. Pancakes were served by Mrs. M. Munro, Mrs. J. Salverson and Mrs. M. Sober.

The kitchen helpers, kept busy during the afternoon, included Mrs.

ANGELICAN LADIES SET PLANS FOR NEW SEASON
The Anglican Women's Auxiliary met in the parish hall, St. George's Church, Ganges, on March 8, prior to the Women's Day of Prayer service, with Mrs. G. H. Holmes presiding.

The meeting opened with the members' prayer. Mrs. Holmes reported on the dresser that was purchased for the purpose of storing linens, and drew attention to the fact that the new kitchen cupboards had received a first coat of paint.

Mrs. E. Adams reported on the sewing, and was voted \$5 for the purchase of materials. Mrs. S. Thomson gave some lovely patches for the quilt being made. Plans were made for coming events, including a donation tea for March 22, in the parish hall, Ganges, under the convenship of Mrs. W. Norton; and a wayside stall, April 25, at the parish hall, with Mrs. E. Adams, Mrs. J. Byron and Mrs. E. Worthington in charge of the plant stall, and Mrs. A. Barber, needlework.

Talent money is to be earned during Lent. Tea was served, following participation in the prayer service, to all attending, under the direction of Mrs. E. Adams and Mrs. H. Price.

PRAYER DESK
C. W. Leggett has just completed a most beautiful prayer desk for St. George's Church, and this was dedicated at the morning service, Sunday, March 10, in memory of his late wife.

Cowan, Mrs. L. Forster, Miss E. H. Smith, Mrs. G. Nelson and Mrs. C. Wagg.

IT WAS WIDELY READ
The Review gets around. A friend of A. D. Dane read the news of his recent accident in these columns at Port McNeill, north of Alert Bay, and was able to write to cheer the victim up, the Fulford man reports.

DRAMA IS ENTHUSIASTICALLY RECEIVED AT SATURNA HALL
By an Islander
The Saturna Players presented a one-act mystery drama, "The High Window", at the community hall on Wednesday, March 6.

A musical number by Mrs. W. Warlow and M. Littler was the start of a most enjoyable evening.

The play was followed by contests and games on the theatre motif and the evening concluded with a dance and refreshments.

The play was well received by an enthusiastic audience. Under the direction of Mrs. G. Drader, the cast did a most workman-like job.

Mrs. Ruby Kay as the testy, overbearing Aunt Emily gave an excellent performance in building up the mystery and suspense of the plot.

Bill Abbott played the cowed nephew and with the aid of his girl friend, Linda Norton, played by Mrs. Ruby Harris, finally proved Aunt Emily to be the murderer.

Judge Craig was played by A. Ralph; the secretary, Miss Ware, by Mrs. Edna Slater. Music for the evening was by Mr. and Mrs. Walter Warlow.

SATURNA CLUB Elects Officers
Meeting of the community club at Saturna Island was well attended recently when all officers were present. Prior to the election of officers for the ensuing year, many discussions and adjustments took place, all of it to the well-being of island activities.

Walter Warlow was unanimously chosen as president again; George Sargeant is secretary treasurer; E. Gilbert, auditor, and director Rustees, J. Campbell, Maurice Littler and J. Money.

SCHOOL STAFF ENTERTAINED
Mr. and Mrs. A. Hepburn and Mr. and Mrs. D. McLeod were joint hosts at a delightful supper party on Saturday night at the Hepburn's residence on the Beaver Point Road, Fulford.

The party was in honor of the teaching staff of the Ganges high school and the invited guests were Mr. and Mrs. J. B. Poulister, Mr. and Mrs. D. Toms, Mr. and Mrs. D. Fraser, Mrs. J. DeMacedo, Mrs. Des Marais, Mrs. Burge, Mr. and Mrs. J. Wickens, Miss Olive Mount, Mrs. B. Gaulton, Mrs. E. Sinclair, Mr. and Mrs. A. Hardwick, Mr. and Mrs. Boyd, Mr. and Mrs. George Heron of Vancouver (one-time member of the staff), and Miss Elizabeth Layton, public health nurse.

After supper, a number of the neighbors joined the party and an old-time dance was enjoyed.

Factory shipments of Canadian-made vehicles jumped more than 27 per cent in 1955 over the preceding year. The 1955 shipments totalled 453,623 units.

MRS. C. KAYE IS PRESIDENT OF COMMITTEE

The Fulford Hall Committee met at the home of A. D. Dane on Wednesday evening, March 6, to nominate the officers for the year.

Mrs. C. Kaye was elected president; Les Mollet, vice-president; A. D. Dane, secretary, and Mrs. R. Young, treasurer.

Work is going to start soon on the sports field and there is a meeting planned this week to plan ways and means to develop the field to the best advantage of the whole island. Also this week, a committee is to be formed to handle the May 24 festivities.

The hall committee has decided to hold an auction in the hall in April and would appreciate any articles that can be routed out of attics and basements. This is to raise funds for the hall activities and donors can get in touch with any member of the hall committee.

Production of creamery butter in Canada in 1955 reached a new annual high of 318,000,000 pounds.

EDUCATION WEEK ATTRACTS 100 VISITORS TO SCHOOL ROOM

The science of learning and teaching was very much to the fore on Salt Spring Island during the past "Education Week".

March 4 saw a panel of teachers discuss the various aspects of school education, in Mahon Hall, under the sponsorship of the Salt Spring Island Chamber of Commerce. A. M. Field was presiding, and he introduced the school principal, J. B. Foubister, who acted as chairman.

Unfortunately there was a very poor turnout of parents, but those who did attend found it very worthwhile.

Miss Olive Mout spoke on "What had become of the graduates of Salt Spring school", and had done a great deal of research into the past years to compile her report. Mrs. Sinclair spoke briefly on business fundamentals. D. Toms' subject was the "Testing Program" and he gave an insight into the preparation, and marking, of tests, to evaluate both the teaching, and pupil progress.

Industrial arts was represented by A. Hardwick, who dealt with "What is Industrial Arts". He addressed the meeting on, as he put it, the arts of industry, explaining how they were designed to meet the needs of a brighter, or slower, student.

J. Wickens gave a talk on the physical education program in modern schools. He said they were designed to develop character and fair play, along with building healthy bodies.

Mr. Field spoke briefly on what the Bank of Montreal has to offer graduates, and what the educational requirements were.

A hearty vote of thanks was given to the panel by Colin Mout for the very informative evening.

SOUND REPORTS ARE HEARD BY CHURCH LADIES

A well attended meeting of St. Paul's W.A. met in the church parlors on Wednesday, Mar. 6.

Mrs. W. S. Dawson was in the president's chair, in the absence of Mrs. H. J. Watts, and the vice-president, Mrs. J. D. Butler.

The meeting opened with a hymn and Mrs. W. Buckingham gave a Lenten message.

Very fine reports were given by the representatives of the different circles, Shoal Bay, Bajan Bay, Margaret Douglas and the Sunshine Circle.

The Bajan Bay group will have their St. Patrick's tea on March 16 in the K.P. Hall. The flower and sick visiting convener reported a very busy month.

At the close of the meeting, Mrs. J. G. Bompas, of Shady Creek, gave an informative talk on mission bands. She hoped that a mission band will be organized in St. Paul's church.

Mrs. H. J. Watts, Mrs. K. D. Scott and Mrs. J. Wallace served tea.

Hostesses for the April meeting will be Mrs. W. Buckingham and Mrs. J. D. Butler.

Signs Of Spring

By B.H. Fulford

There are signs of spring everywhere: bulbs are up and flowers are coming into bloom and the big black spiders are getting active.

The honey bees are busy among the crocuses and heather. By the way, do all beekeepers know their own bees?

H. Smith was over a little while ago and went to see whose bees were in our heather. He picked one up and looked it over. "That is one of the Davis' bees," he declared. They all look alike to me except that some are blonde and some brunettes.

But the most exciting spring news is that Mr. Jebson went fishing a few days ago and came in triumphantly with an 18-pound spring salmon. He caught it on a No. 3 Tom Mac so had quite a time getting it landed.

PARENTS HEAR OF BRITAIN

Monthly meeting of the Fulford P.T.A. was held on Friday at the Fulford Hall, with the president, Mrs. F. L. Jackson, in the chair. There were 16 members present. The report on the Valentine tea held in February was heard and \$60 had been raised for the fund at that time.

CELEBRATED

Miss Lily Sampson was honored by her parents, Mr. and Mrs. Chester Sampson, on March 2, on the occasion of her 17th birthday.

The evening, celebrated at home, was greatly enjoyed by a large group of friends. Dancing, to recorded music, was followed by refreshments.

The beautiful birthday cake, made by Mrs. Sampson, was brought in, with the candles lighted, to the strains of "Happy Birthday".

Miss Lily received the congratulations and good wishes from all her friends. Those attending were: Susan Alexander, Barbara Burge, Marilyn Cantrill, Caroline Deacon, Jennifer Graham, Lois and Win-some Hedger, Kathy and Shirley Howard, Diane Irwin, Marie Kitchen, Joyce Lough, Elaine Macdonald, Sheila Millner, Edith Russell, Doris Sylvester, Lyn Travena, Penny Treford, Scott Alexander, Richard Bower, Norman Deacon, Ian Foubister, Laurence Hedger, Don Irwin, Ken Johnson, Jack Reynolds, Bill Russell, Ken Sampson, Leslie Twa, Alan Treford and Brian Warburton.

GANGES

Mrs. L. J. Ashlee, Ganges 97-W

Mrs. M. Swaykoski arrived in Ganges, Sunday, to spend a week's holiday with her son-in-law and daughter, Mr. and Mrs. M. Sober.

Mrs. J. D. Fletcher attended the Social Credit convention in Victoria for the W.A. presidents last Friday and Saturday. Friday morning a guided tour was planned, while in the afternoon they were to sit in on a session of the legislature. In the evening there was a discussion at the home of Mrs. W. N. Chant. Saturday evening was marked by a dinner, attended by Attorney-General Robert Bonner.

The Wagon Wheels' hard-time dance held in Central Hall, Salt Spring, will be attended Saturday night. Bill Evans was convener and he had a number of prizes for various dances. He also had a contest, guessing the weight of a cake, which was won by Mrs. Doug Parsons. Dance prize winners were: Mr. and Mrs. Peter Cartwright, Ely Price, Peter Cartwright, Mrs. Barber, Kello Wilson, Mr. and Mrs. Lutz. The next square dance will be in two weeks' time.

Mr. and Mrs. Ben Greenhough and sons, Benny and Billy, spent the week-end at Coquitlam to attend the birthday celebration of Mrs. Greenhough's father, Mr. Baumgartner.

Miss Evelyn Moutat spent the week-end visiting her parents, Mr. and Mrs. Gavin Moutat, Sunset Drive.

LEGION LADIES REPORT ACTIVE PROGRAM

Regular monthly meeting of the Ladies' Auxiliary to the Canadian Legion, Branch 92, Salt Spring Island, was held in the Legion Hall, Ganges, on March 4.

There were 25 members attending, with Mrs. E. Booth presiding. Two new members were welcomed and installed, Mrs. Roma Sturdy and Mrs. J. Snape. The treasurer's report showed a working balance of \$101.21. Mrs. George Young reported on the recent fire district meeting held in Mahon Hall.

A letter of thanks was received from the Legion to acknowledge the \$40 donated by the L.A. to be used to purchase additional chairs for the hall. Word was sent by Mrs. Inglis, Victoria, that she will attend the Citizens' Co-ordinating Council, to report on the hospital visiting she does at the Veterans' Hospital, on behalf of the L.A.

TO SCHOLARSHIP FUND

The sum of \$5 was voted to the B.C. Legion Scholarship Fund. Mrs. Layard assisted Miss E. Layton with the baby clinic, this month. Lady Minto hospital visiting was carried on by Mrs. Min-chin and Mrs. A. Wolfe-Milner, last month, with Mrs. G. Young and Mrs. Sturdy offering for March. Mrs. Barber was appointed tea convener and she will be assisted by Miss Ely Price. Mrs. Catto resigned as blanket convener. Plans for the L.A. Birthday party were reported well in hand, by the general convener, Mrs. George Young. The Legion are donating the birthday cake, for this 10th anniversary, to be celebrated in Mahon Hall on March 15, and open to the public.

VANCOUVER VISITOR

Mr. and Mrs. Harry Falk and their three children, Jerry, Billy and Myra, Vancouver, spent a few days on Salt Spring recently, visiting Mrs. Falk's sister and brother-in-law, Mr. and Mrs. T. Ayres, and her mother, Mrs. Singleton.

Miss Wendy Fanning was a visitor to the island over the week-end.

Mrs. Herron, former school teacher at Ganges, spent a few days here, the guest of Miss Elizabeth Layton.

Mrs. George Hurst is very ill in hospital at Victoria.

Mr. Ball, Fulford post office, has just returned from a week's visit to Winnipeg, to attend the wedding of his son, Royston Glen Ball. Mr. Ball was most impressed with the flight there, and was awed by the majestic scenery. He also remarked on the magnificent sight the cities were from the air, with all the lights.

Northern Lights

The Northern Lights (Aurora Borealis) were very bright on Friday night for a while. From Fulford they showed up in forks of green from north to south and glowed red in the west. The whole sky was alight with color in which green predominated.

Some of the old-timers may recall a similar display of the lights about the year, 1918, or near that time. Only that year the sky was forked with tongues of red and

THE ONE FLAG ON WHICH ALL AGREE

A symbol of all that is best in human nature... to give a helping hand when needed... to show kindness of heart... to care for the sick... to comfort the distressed.

Keep this flag flying in Canada!

EXPERIMENTAL FARM NOTES

WEEKLY REPORT OF NORTH SAANICH STATION

Spring strawberry planting is recommended. The exact time in the spring will depend on the weather and soil conditions. The soil must be in good condition, well worked and not too wet. Temperatures should be warm enough for good growing conditions. Early planting is preferred to late planting as then the plants have a good opportunity to become well established before the dry summer months. In most years planting should be completed by the second week in April, however this will vary depending on the season and the other factors mentioned above.

Prior to planting the soil should be treated with heptachlor or aldrin. This will ensure freedom from white grubs, wireworms and root weevils for the life of the planting. These materials can be applied at 2½ gal./100 gal. water per acre of the 20 per cent liquid or as a 2½ per cent dust at 200 lbs./acre. This material must be plowed or rotated to a depth of six to eight inches. It is also advisable to dust the roots before planting.

The plants should be set in the ground with the soil level just at the crowns, where the roots join the leaves. If planted too shallowly and roots are exposed the plant may dry out. If planted too deeply

and the crown is covered with soil the plant may rot. The soil must be firmed around the roots before planting.

PROPAGATING CABBAGES

Plant propagation is a big subject, and many different methods have been evolved to suit the particular crop. In our work with cabbage at the Experimental Farm, we have frequently found it desirable to vegetatively propagate certain plants. Two methods have been used to a considerable extent for this purpose. The first might be called the bud cutting method. It is used to obtain up to 10 or more plants from a single plant selection following heading. The head is cut off cleanly from the selected plant, leaving as much stem and as many leaves on the remaining stump as possible. If necessary the soil is then watered, and the lateral buds left on the plant begin to develop.

In three weeks to a month these lateral buds may be removed and placed in clean sharp sand to root.

The alternative method has been used successfully with older cabbage plants which have flowered. This involves taking leaves with a sliver or stem attached and placing them in sand to a depth of approximately one inch. Frequent syringing is necessary to keep the

humidity high. Rooting usually takes place and in approximately three weeks' time the rooted cuttings may be transplanted into flats or pots. Rooting temperatures have not been too critical, but around 65 degrees Fahrenheit has been very satisfactory.

The methods outlined above have been very useful in plant selection and breeding work but might also prove interesting and of practical value in certain cases for the amateur horticulturist.

DOG-CATCHER IS PROMPT TO RESPOND TO CALL

Prompt response came to Sidney village commission on Tuesday evening after an earlier discussion of enlisting the services of a dog-catcher.

A letter was received from C. P. Olsen, of Kelowna, stating that he had been engaged in a similar capacity in that city and that he wished to make his home on Vancouver Island.

Village Clerk A. W. Sharp suggested that the village tie in with North Saanich and investigate the possibilities of engaging a pound-keeper to serve the two areas.

The applicant will be advised of the limited opportunities in the realm of dog-catching and the village will further investigate a joint appointment.

THUNDERBIRD BOWLING

March 8, 1957

Ladies' high singles, 239, Muriel Butterick; ladies' high gross, 558, Maxine Shillitto.
Men's high singles, 277, Howard Puckett; men's high gross, 681, Howard Puckett.

Team high score of 2,595 was marked up by team No. 8, skippered by Charlie Douma.

THAT'S WHY

Sal: "See that sailor over there annoying Betty?"
Pal: "Why, he isn't even looking at her."
Sal: "That's what's annoying her."

Auditor's Report

February 18, 1957

The Board of School Trustees,
School District No. 63 (Saanich),
Sidney, B.C.

We have examined the books and records of School District No. 63 (Saanich) for the year ended December 31, 1956, and have received all the information and explanations we have required. Our examination included a general review of accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion the attached Capital Funds and Revenue Funds balance sheets and related statements are properly drawn up so as to exhibit a true and correct view of the state of the affairs of School District No. 63 (Saanich) for the year ended December 31, 1956, and of its operations for the year then ended according to the best of our information and the explanations given to us, and as shown by the books of the School District.

SCHEDULE I.

SCHEDULE OF PROVINCIAL GRANTS FOR CAPITAL EXPENDITURES For the Year Ended December 31, 1956

Balance—December 31, 1955	\$ 3,328.21
Add: Capital Expenditure Grant	7,820.00
	\$ 11,148.21
Deduct: Capital Expenditure	\$ 12,721.91
Less: Non-charitable Expenditure	35.75
	\$ 12,686.16
Provincial Expenditure 60%	6,243.08
Balance of Provincial Grants Unspent—December 31, 1956	\$ 4,805.13

We have examined the books and records of School District No. 63 (Saanich) for the year ended December 31, 1956, and in our opinion the above statement correctly shows the Receipts and Disbursements for that period, according to the best of our information and the explanations given to us, and as shown by the books of the School District.

ISMAY, BOISTON, DUNN & CO., Chartered Accountants.

Scrumptious!

Coffee cake at its best... sweet and scrumptious! And so easy to make with Fleischmann's Active Dry Yeast when you bake at home. Surprise your family tomorrow!

Butterscotch coffee cake

- Measure into bowl ¾ cup lukewarm water. Stir in 1 teaspoon granulated sugar. Sprinkle with contents of 1 envelope Fleischmann's Active Dry Yeast. Let stand 10 minutes, THEN stir well.
- Sift together twice, then into a bowl 2½ cups once-sifted all-purpose flour, ½ cup granulated sugar, 1 teaspoon salt, ½ teaspoon grated nutmeg. Cut in finely ½ cup chilled shortening. Beat until light and fluffy.
- Turn out on lightly-floured board and knead until smooth and elastic. Place in greased bowl. Brush top with melted shortening. Cover. Let rise in warm place, free from draft, until doubled in bulk—about 1½ hours.
- Punch down dough. Halve the dough. Roll each half into a 9-inch circle and place on greased cookie sheets. Brush each circle with melted butter or margarine. Cover. Let rise until doubled in bulk—about 50 minutes. Bake in a moderate oven, 350°, about 30 minutes. Cool and spread coffee cakes with the following butterscotch icing: Measure into a saucepan, ½ cup lightly-packed brown sugar, few grains salt, 3 tablespoons butter or margarine and 4 tablespoons cream; stir over very low heat until sugar dissolves. Remove from heat and work in 1½ cups (about) once-sifted icing sugar—use enough sugar to make an icing of spreading consistency. Stir in ¾ cup coarsely-chopped toasted pecans and ¼ teaspoon vanilla. Yield: 2 coffee cakes.

Needs no refrigeration

How Much Hot Water Do You Use Each Month?

Plenty of hot water is needed in the modern home... hot water for bathing, for laundry, for dishwashing, for house-cleaning... in fact there are over 100 uses for hot water in the average household today.

If you have some non-automatic tank that requires attention down in the basement someone has to climb about 24,000 steps a year.

With a modern automatic electric storage water heater, you can have all the hot water your family wants, 24 hours a day, without any effort on your part. Automatic electric storage water heaters (insulated like giant thermos bottles) provide clean hot water at the exact temperature you require at the low cost of approximately 90¢ to \$1 per person per month for the average family of four.

To get complete satisfaction you should make sure that you get the right size heater for your home. The following table will guide you:

Minimum Suggested Size Automatic Storage Water Heater

No. of Bathrooms	No. of Bedrooms	Capacity in Gallons, Electric Storage Water Heater
1	2 or 3	40
1	4	50
2	3 or 4	60

In the case of larger homes than shown above, ask your appliance dealer or plumber for an individual recommendation.

BE Electric

NEW AUDITORIUM FAILS TO REACH HIGH STANDARDS AS PLAYERS MAKE DEBUT THERE

Under extremely difficult conditions Peninsula Players presented three plays last week-end in North Saanich high school auditorium, including the drama festival entry, "The Fish".

It was the first time the new auditorium had been used for the presentation of a play and it proved to be rather less than perfect.

The hall serves as blotting paper to all sound and many of the members of the audience heard almost nothing.

The stage is located in the long wall of the hall, leaving a restricted area from which the stage is visible. Last minute rush to prepare the stage brought its own problems and the players borrowed curtains from Duncan to surround the sets.

The stage is yet without cover and the absence of the proscenium renders the acoustics a degree worse. The last mentioned was replaced by a number of blinds suspended from the ceiling. On Saturday evening, the second of the two performance nights, the curtains hooked up on the blinds and brought them down on the stage.

The new auditorium is larger and more impressive than the hall it replaces. It is, unfortunately, far less adaptable to the presentation of a play.

Three plays were offered, each of one act. The light comedy, "The Fish" was sandwiched between two of a more solid nature. Despite its

burial in the sandwich it swallowed its two more solid partners and came out on top as the outstanding presentation of the two evenings.

Presented against a brilliant and pleasing set, its rapid pace and lightness of touch were maintained throughout to keep the audience interested and amused. The two daughters of the undertaker, played by Joan Henriksen and Eileen Cooke, were consistent and perfectly cast.

A fast moving, light comedy, it was fast without a delay at any point and the lightness gave it an air lacking in many a production here or elsewhere.

The play will be presented as the local entry into the provincial drama festival. Choice of this play was made by a group entirely unconnected with the players.

The cast were all excellent, making the most of the rapid repartee offered by the script.

The first of the plays was dated. "Friends of Valerie Lane" was of the style popular some three decades ago. Ignoring the danger of being accused of chronological snobbery, I yet feel that the whodunit with psychological undertones is one which is so familiar that it is better relegated to the radio, rather than the live stage.

The set was unrealistic and the players took up their positions to remain there adamantly throughout the course of the play. The play was insufficiently inspiring to permit of great scope for the players and it struggled on through its heavy course. The participants gave it all they had, but not even their confidence with their lines could overcome a weak play and ailing direction. It is a play over which we can sit back and breathe a sigh of relief that it is unlikely to be resuscitated.

TENSE SCENE

The final play was excellent. Depicting a small miner's cottage during the period of an accident in the mine, the atmosphere was tense. It remained so throughout the play.

There was only one character in the play required to carry it. If the miner's girl friend, played by Pat Montgomery, had been lacking, so also would the play have been lacking. The rest of the cast were left to fill in.

Despite an elongated crisis of emotion, the play itself let the situation down by a weak anticlimax. One had the impression that it would have contributed to the quality of the script if the missing miner had been carried in on a board to justify the emotion that had been splashed about so lavishly.

Realistic appearance of the lady of the flat, Valerie Lane, was top performance of the first play. In the person of Karel Larson, she gave an excellent picture of a courteous somewhat carelessly allocating her favors.

In the second play the entire cast was good and other than the two girls, who occupied the forefront throughout, the supporting cast maintained an even support to the routine.

The last play saw Pat Montgomery as a young emotional woman. The remaining three players put on steady performances which were drowned in the emotion.

Casts included Karel Larson as Valerie Lane; Frank Watts as the mobile detective who supplied movement, Dr. Parkinson; Mary Leaf as Rhona Crawford; David Smart as the disillusioned Walter Hughes; Damaris Jackson in the part of Barbara Mason and James Logan doubling as Desmond Ifley and director.

A SPRINT

The Fish included the two girls; Herbert Drew as the volatile Louis Cabrol; Pierre Plum was Alec Effa and Yves Cabrol, Ken Smith, long and lugubrious to Effa's stout lightheartedness; the mothers were Ailsa Rothery and Dorothy Rayburn with Glen Gray taking a sprint across the stage in a last minute examination of his injured anatomy.

Jack Tydesley, the miner in the last play, "The Price of Coal", was John Gray; his mother was Eve Gray; well bent and crippled with age and damp, while Ailsa Rothery doubled up as Polly Livesey, happy wife of a drinking husband.

There was no faltering throughout the evening and many were left with the impression that the cast might well have made a first-class showing if the selection of plays had permitted a greater degree of individual contribution. Both players and audience concluded the evening on Saturday with a hope in their hearts that the much-debated community hall might prove acoustically superior to the auditorium.—F.G.R.

BIG GROUP AT WOMEN'S PRAYER GATHERING

There was a very good attendance at the Women's Day of Prayer service, held in St. George's Church at Ganarbes, on Friday afternoon March 8.

Leaders were, Mrs. G. H. Holmes and Mrs. H. Ashley, with those taking part in the service being, Mrs. R. Wood, Mrs. J. Reid, Mrs. Le Pevre, Mrs. Robinson, Mrs. F. H. A. Reid, Mrs. C. Zenkio, Mrs. J. Bradley, Mrs. F. Agnew, Mrs. W. M. Mount, Mrs. W. Norton and Mrs. E. Worthington.

The address was given by Mrs. V. C. Best and the organist was Mrs. J. B. Young. Mrs. F. H. Baker was soloist, accompanied by Mrs. V. C. Best. Collection was taken by Mrs. E. Parsons and Mrs. H. Price. The meeting is sending a letter to Rev. and Mrs. Fred Forster, both of whom are in hospital in Victoria, wishing them a speedy recovery. Following the service, the Anglican Women's Auxiliary served refreshments in the parish hall, under the convenership of Mrs. E. Adams and Mrs. Harold Price.

DRIVER FINED

John Herbert Serenon, of Duncan, was charged recently with driving while his ability was impaired by alcohol, before Stipendiary Magistrate A. G. Birch, in Charters, and fined \$150 and \$7 costs.

If You're TIRED ALL THE TIME

Everybody gets a bit run-down now and then, tired-out, heavy-headed, and maybe bothered by backaches. Perhaps nothing seriously wrong, just a temporary toxic condition caused by excess acids and wastes. That's the time to take Dodd's Kidney Pills. Dodd's stimulates the kidneys and so helps restore their normal action of removing excess acids and wastes. Then you feel better, sleep better, work better. Get Dodd's Kidney Pills now. Look for the blue box with the red hand at all druggists. You can depend on Dodd's. 52

NORTH SAANICH GARDEN CLUB

GARDEN NOTES BY J. W.

It will soon be time for plant life to become active and like ourselves the plants need food to supply the energy to do the work required. It is true the plants obtain their food from the soil, but in this part of Canada where the heavy rains wash so much minerals from the soil, it is necessary to feed them with a fertilizer.

As various types of plants do better with a specific type of mineral, it is advisable to ascertain from the Dominion Experimental Station at Saanichton, B.C., if there is any literature available relative to the plants which you will be growing.

Through experiments, it has been established, and is commonly known now, that potatoes require a different fertilizer to the cabbage family, and to use the wrong fertilizer is a waste of money. This also applies to other plant life and it is well worth-while looking into.

Also, to over fertilize is worse than under fertilization, therefore for the best results a person should follow the instructions precisely.

NEEDS THEM

Even the gardener who has good supplies of animal manure or compost cannot afford to ignore fertilizers, for natural manure and composts rarely contain all the necessary plant foods in good balance. Of course, whatever else they may lack, they will make humus, and humus is just as important in the garden as chemicals though for a different reason. Chemicals are the natural food of plants corresponding to the proteins, starches and sugars which animals require. But humus might be termed the food of the soil, for it keeps it in good texture and healthy condition, enabling it to produce the chemicals plants need in adequate quantity and variety.

That is why the really good gardener uses all the organic matter he reasonably can and chemical fertilizers as well. But they must be the right fertilizers properly blended to give the right proportions of nitrogen, phosphorous and potash and they must be applied

NEW SERVICE STATION HERE

New service station and maintenance shop has been opened in the Sidney area. On Marine Drive, adjacent to Shoal Harbor Store, Philip Bevan has constructed and equipped his own station. Trading as Phil's B.A. Service, he will cater to the residents of the expanding district in which the unit is located and he will also serve the heavy traffic heading towards the boat yards in the area every week-end throughout the summer months.

The operator has not isolated his endeavors to the garage business. He came to the district last August, when he acquired Shoal Harbor Store from Martin Egeland. Since that time he has been engaged in building the garage and assisting Mrs. Bevan in the operation of the store.

WESTWARDS

The couple originally came westwards from Saskatoon. For the past six years they have resided in Vancouver, where Mr. Bevan was engaged in the garage business. Lately they investigated the climate of Vancouver Island and found it to their liking. Not even the last few weeks has changed their views on this subject. When they acquired the store Phil already had had his eyes on the adjacent property and its ready suitability for a service station.

A native of Saskatchewan, Phil bears a name already familiar to the world. Aneurin Bevan, prominent British Laborite, hails from the same part of Wales as Phil Bevan's father. They could be related, he agreed. Wales is not a large country.

AWAITING SUMMER

Dark and slightly-built, Phil Bevan is now looking to the future evenly at the correct rate.

It is possible to make your own mixtures but nowadays it is hardly worth while as there are so many excellent compound fertilizers properly blended by experts for the particular purpose for which they are sold.

Many modern fertilizers are prepared in granular form, which not only makes them clean and pleasant to handle but also particularly easy to apply evenly.

when his new station with its two bays and modern equipment installed by his own hands, is in regular operation. In the meantime Mrs. Bevan is attending to the store and their two children at the same time and the family eagerly awaits the summer whose gentle climate brought them to North Saanich.

FORMER SIDNEY WIDOW CALLED

Cecilia Graham, formerly of Sidney and widow of the late Henry Graham, passed away in Victoria on Wednesday, March 6. Mrs. Graham had spent many years in Winnipeg before coming to Sidney. She was a native of Edinburgh, Scotland.

Last rites were observed from Thomson Funeral Chapel in Victoria on Friday, with the Rev. D. B. Carr officiating. Interment followed in Royal Oak Burial Park.

BOUQUET FROM CHAMBER

Central Saanich council received a bouquet from the Central Saanich Chamber of Commerce on Monday evening. The chamber expressed its appreciation of the manner in which the snow had been cleared from the municipal roads during the winter snows.

P. E. Virgin, present at the meeting, expressed dissatisfaction with the manner in which piles of snow had been formed in the centre of intersections. It was explained that this was the only means of clearing it.

Consider carefully before you say a hard word to a man, but never let a chance to say a good one go by. Praise, judiciously bestowed is money invested.—George H. Lorimer.

NONAGENARIAN IS CALLED HERE

Stephen Francis Penfold, of Sidney, failed to reach his century. On Friday, March 8, he passed away in Rest Haven Hospital at the age of 93.

During latter years he had been restricted to travelling in a wheelchair. Until his 90th year he had been still active and capable. A native of Ontario, he had resided in Sidney for the past 11 years. He previously resided in Delburne, Alta.

He leaves to mourn, his son Earl, of Red Deer, Alta.; a daughter, Ada May, in Ontario, and his brother, John, in Delaware, Ont.; also nephews and nieces.

Funeral services were held at Sands Funeral Chapel Sidney, on Monday, with the Rev. W. Buckingham officiating. Cremation followed.

NO IMITATION

A small soiled youngster accompanied by his even smaller brother stopped an elderly lady as she was passing their house.

"For a nickel I'll have my brother imitate a hen for you," said the boy. "And how does he do that, my little man?" said the lady. "Cackle?" "No mam," said the little boy. "None of those cheap imitations for us. . . I'll have him eat a worm."

NO FUND FOR DITCHES AS PLANS AWAY

Clearing of ditches in nearly 40 different sections of Central Saanich was authorized by the council on Monday evening at a cost of \$1,500.

The council declined a recommendation from Councillor R. M. Lamont that a fund be established to provide for council assistance for work on the three main ditches, McHugh Valley, Mount Newton Valley and Maber Ditch. The councillor suggested that the ditches be carried a far greater volume of water than was derived from the lands through which they passed.

There is provision for gaining assistance from all whose property is affected, commented Reeve H. R. Brown, and this should be done.

PROPERTY SALES FACE BOOST AT MAYNE

Mr. and Mrs. Oscar Williams, of Victoria, spent the week-end on Mayne Island, making arrangements with W. Wilks to have a building site cleared and roadway made on their new property, where they intend to start building in May.

They purchased lot 3 of the new subdivision on Laura Point Road with water frontage on Active Pass. G. H. Maynard reports more enquiries are coming every week for property on Mayne and with the shortage of waterfront properties in Vancouver and Victoria and the beautiful waterfront properties which he has listed with him for sale he feels confident that Mayne Island is on the upward trend.

BUSY WEEK IN SIDNEY COURT

Last week was expensive for those arraigned before Magistrate F. J. Baker in Sidney R.C.M.P. court, as more than \$250 was collected in fines.

On Monday Irene Cook, of Steveston, was fined \$50 and ordered to pay costs of approximately \$300 for wilfully breaking store windows on Beacon Ave. It was stated that the windows of the Bus Depot and of Alexander-Gane Men's Wear were broken by stones early on Sunday morning. Plea of guilty was entered.

On Tuesday, Kelvin Roger Taylor, Keating, paid a fine of \$50 for selling liquor to Indians. Charles B. Lee, of Sidney, was fined \$50 and costs or 30 days for driving while his license was suspended. He paid a further \$5 and costs for failure to stop at a stop sign.

Andrew Frenchie, Cole Bay, was fined \$25 and costs for causing a disturbance in a public place and \$10 and costs for possessing liquor

MORE VOLUNTEER FOR RED CROSS CAMPAIGN HERE

Several hundred dollars have already been collected in the current Red Cross drive in the Saanich Peninsula area. A. G. Rodgers, directing the drive reports that a new list of canvassers has been added to the original volunteers and that the entire district will have been canvassed by the end of the month.

Two members of Sidney Rotary Club were omitted from the previous list. They were G. C. Johnston and Claude Johnson. Members of H.M.S. Endeavour Chapter, I.O.D.E., have volunteered through the regent, Mrs. J. Gray, to collect in nine areas, making a total of 23 canvassers.

LAST RITES FOR FORMER NURSE

Last rites were observed on Tuesday in St. Andrew's church, Sidney, for Meta C. Taylor, of 2359 All Bay Road, Sidney, formerly of Seattle, Wash. Mrs. Taylor was called by death on Friday, March 8, at Rest Haven Hospital.

Rev. Roy Melville officiated and interment followed in Holy Trinity Churchyard. Hayward's were in charge of arrangements.

Mrs. Taylor was a native of Quebec and a graduate nurse of the Royal Victoria Hospital in Montreal.

She is survived by her husband, Leslie H. Taylor and a son, Ross H. Taylor.

off the reserve. Grant Parkes, Victoria, was mulcted \$25 and costs for exceeding the 50 m.p.h. speed limit on Patricia Bay Highway.

Suspended sentence of six months was meted out to William James, Cole Bay, for assault, with costs of \$10.50. He also paid \$10 and costs for possession of liquor on the reserve. George Charlie, West Saanich and Norman Johnnie, Kuper Island, were each fined \$10 and costs for shooting at ducks from a power boat. Although there is no restriction on hunting all year round for Indians, other regulations are still applicable.

Day Of Prayer At Galiano Church

Women's World Day of Prayer was held at St. Margaret's Church, Galiano, at 2 p.m. on Friday, March 8.

The service was conducted by Mrs. Stanley Page and the music for the service was supplied by Mrs. F. J. Bayfield at the organ.

Those taking part in the prayers were Mrs. M. F. Hillary, Mrs. G. Bamber, Mrs. A. Ortenburger, Mrs. B. P. Russell, Mrs. D. A. New and Mrs. J. F. Bayfield.

During the service Mrs. J. F. Jones sang a solo accompanied by Mrs. M. F. Hillary at the organ. Tea and refreshments were enjoyed following the service, at the home of Mrs. F. Robson.

Due to the inclement weather the ladies of Mayne Island were unable to attend.

CHIMNEY FIRE

Chimney fire at the home of Mrs. T. Morgan, Third St., was extinguished by Sidney and North Saanich Volunteer Fire Department on Tuesday afternoon without incident.

NEW LIBRARY AGREEMENT IS DISCUSSED

Central Saanich is planning an agreement with the Greater Victoria Library Board whereby the municipality will be permitted to withdraw from the bookmobile service at some time in the future should such a plan be desired.

The council on Monday evening

also authorized, after protracted discussion, an enquiry regarding reduction of service in the municipality.

A public hearing is planned for the farmers' institutes and chamber of commerce to discuss further aspects of the library service.

Sincerity is impossible unless it pervades the whole being; and the pretence of it saps the very foundation of character.—James R. Lowell.
